

CITY HALL, CITY OF LODI  
Monday, October 9, 1922.

Pursuant to adjournment from the regular session of October 2d, the Board of Trustees of the City of Lodi met at 8 o'clock P.M. on the date above written. All members were present.

L. O. Wisler submitted a proposition for a complete audit of the City's accounts for the sum of \$960.00. No action taken.

Mr. C. C. Woodworth addressed the Board in regard to the proper steps to be taken to organize a County Board of Health and at his suggestion, Trustee Hale introduced Resolution No. 327, memorializing the Board of Supervisors of San Joaquin County to form such a body. This resolution was thereupon unanimously adopted on roll call.

Plans for the Walnut Avenue sewer line prepared by City Engineer Barzellotti were presented and the same were thereupon adopted by the passage of Resolution No. 328 by the following vote:

AYES: Hale, Spooner, Mettler, Hickok, Shattuck  
NOES: None ABSENT: None.

On motion of Trustee Hickok, the Clerk was directed to advertise for proposals for constructing the sewers shown on the plan above mentioned.

Supt. Henning presented the necessity of draining the alley intersection in Block 16 and on motion of Trustee Spooner he was directed to proceed with the installation of a drainage line to connect with the Oak Street storm drain.

The committee appointed September 25th to obtain a proposition from O. J. Hemphill in regard to the widening of Lockeford Street, having reached an agreement with Mr. Hemphill, the Board authorized the execution of the same by the unanimous passage (on roll call) of Resolution No. 329.

City Treasurer W. H. Lorenz was authorized to expend not to exceed \$200.00 for additional help in collecting taxes on motion of Trustee Hale, seconded by Trustee Spooner.

No further business appearing, the Board adjourned.

Attest:

J. F. Beakely  
Clerk
